NOTE
The Draw Shot Challenge (DSC) is the average distance of the Last Stone Draws (LSD) which were played by a team during the round robin. The single least favourable LSD result is automatically eliminated before calculating this average distance. The team with the lesser DSC receives the higher ranking.
For teams with equal DSC, the team with the best non-equal counting LSD receives the higher ranking. In case all counting LSDs are equal, the team ranked higher in the WCF World Ranking is ranked higher.
